

**SUMMARY OF EXAMINER INTERVIEW**

Applicants would like to thank the Examiner for granting an interview on September 23, 2010, and for considering the arguments regarding the deficiencies of the cited references. During the interview, proposed amendments to independent claim 1 were discussed and the Examiner offered suggestions for additional claim amendments. The Examiner indicated that the proposed amendments, similar to those set forth herein, would likely overcome the cited references, but a final determination may require further search or consideration.
